

## Follett Student Experience

Follett Student Experience (My Materials) is an updated version of Follett Discover Access and allows users to view and access their course materials inside and outside of their courses. Additionally, it will take faculty to their Adopt experience. For ease of use for faculty and students the My Materials LTI link should be placed in the Global Navigation in Moodle.

Your instance of Moodle may look a little different, and that's okay. What's important is to update the LTI link title to "My Materials" and ensure the link is placed in a **global location**—such as the homepage and within all courses—so it's easy for both students and faculty to find.

### Step 1: Renaming Follett Discover LTI tool to My Materials

Willo Test   Home   Dashboard   My courses   Site administration

---

[Activity modules](#) / [External tool](#) / [Manage tools](#) / External tool configuration

#### Willo Test

[General](#)   [Users](#)   [Courses](#)   [Grades](#)   [Plugins](#)   [Appearance](#)   [Server](#)   [Reports](#)   [Development](#)

---

#### External tool configuration

▼ **Tool settings**

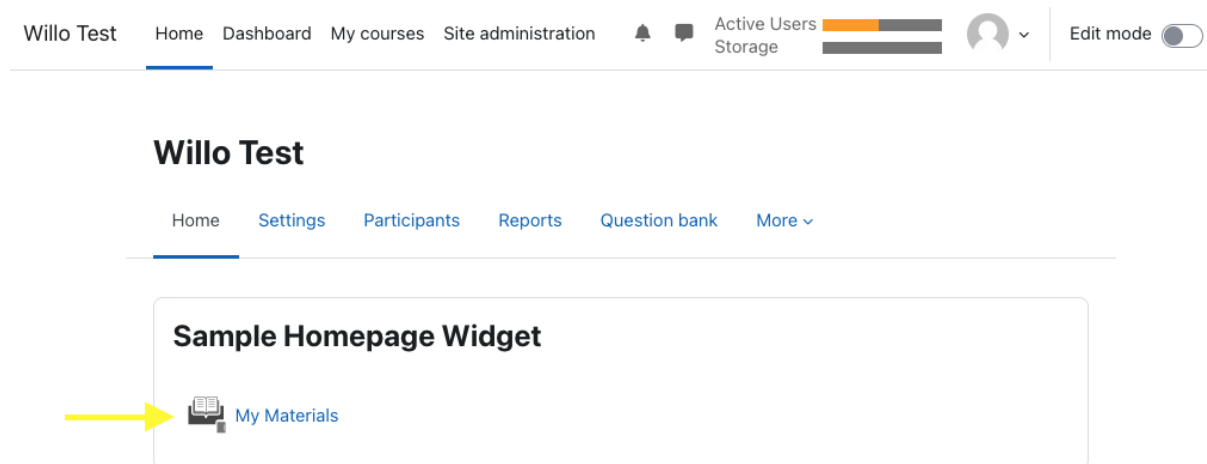

Tool name	  <input type="text" value="My Materials"/>
Tool URL	  <input type="text" value="https://blti.betterknow.com"/>
Tool description	 <input type="text" value="Faculty can discover and adopt the best course materials, made available seamlessly used or digital."/>

1. As an Admin user, click **Site administration**.
2. Click the **Plugins** tab followed by **Manage Tools (Activity Modules > External Tool > Manage Tools)**.
3. Locate the **Follett Discover** tool and click the **Edit** (pencil icon) button to edit the tool configuration.
4. Change the value in the **Tool Name** field to **My Materials**.
5. Click **Save changes**.

## Step 2: Configuration of the My Material links

The instructions are for basic text links. If your campus uses a theme that requires icons, we have a [selection of Follett Discover Icon URLs](#). The My Materials link should be added in 2 locations within Moodle.

### Adding My Materials to Organization Homepage (required)

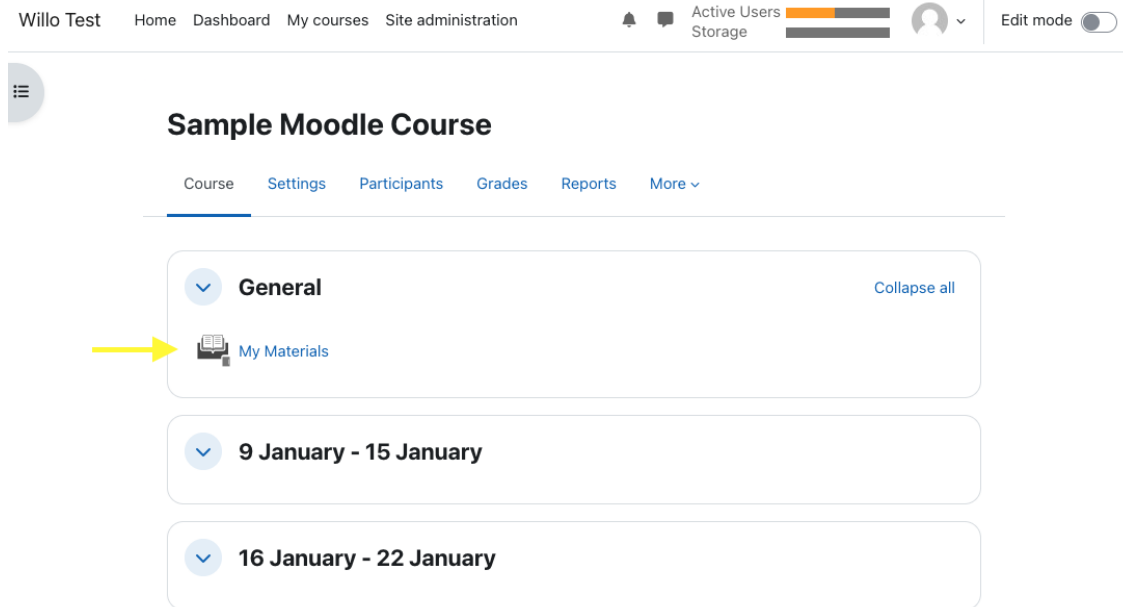

The screenshot shows the Moodle LMS interface. At the top, there is a navigation bar with 'Willo Test' and 'Home' highlighted. Other navigation items include 'Dashboard', 'My courses', and 'Site administration'. On the right, there are status indicators for 'Active Users' and 'Storage', a user profile icon, and an 'Edit mode' toggle switch. Below the navigation bar, the 'Willo Test' course page is displayed. The 'Home' tab is selected in the top navigation. A 'Sample Homepage Widget' is shown, and a yellow arrow points to the 'My Materials' link within the widget.

### Available courses

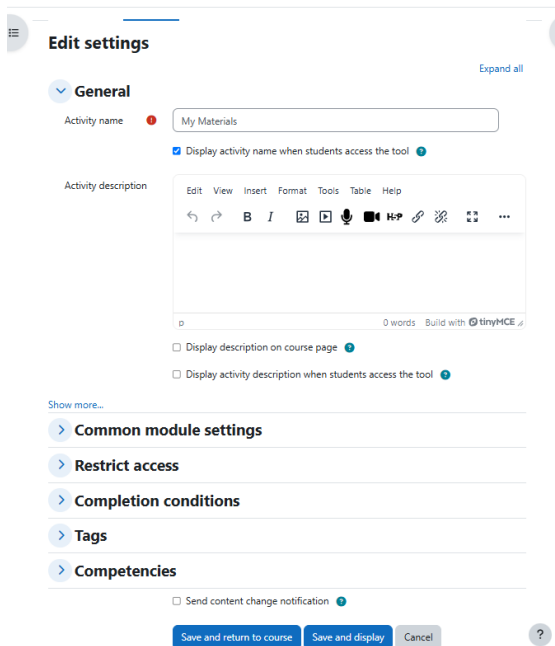

As an

1. As an Admin user, click the **Home** tab in the top navigation, and then navigate to the Settings tab.
2. Check the box for **Add custom content**.
3. Click **Save changes**
4. Click back into the **Home** tab and ensure **Edit mode** is toggled on.
5. Click the **gear icon** to edit the custom content section name to desired name.
6. Click **Save changes**.
7. Click **Add an activity or resource** at the bottom of the widget and select **My Materials** from the Activity Chooser.
8. Enter **My Materials** into the **Activity name** field.
9. Click **Save and return to course**.

Adding My Materials to individual courses or course templates (required)

1. As an Admin or Instructor user, navigate to your course and ensure **Edit mode** is toggled on.
2. Find a content section (ex. General) and click **+ Add an activity or resource**.
3. Select **My Materials** from the Activity Chooser.
4. Enter **My Materials** into the **Activity name** field.
5. Click **Save and return to course**.

### Step 3: Testing My Material Links

Clicking on the My Materials navigation item will take you to the Adopt and Student Experience (faculty vs student) to verify that everything is configured correctly.

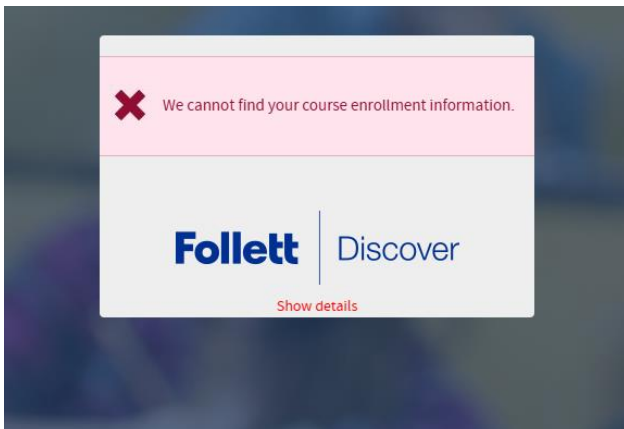

**Important Note:** The user launching LTI must have a current enrollment record for a successful launch of any Follett App. Please ensure you test as both an active **faculty** user and an active **student** user.

1. Click on the new **My Materials** link from the Homepage widget or from a course content section.

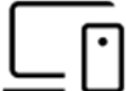

The screenshot shows the Moodle LMS interface for a course named 'Willo Test'. The top navigation bar includes 'Home', 'Dashboard', 'My courses', and 'Site administration'. On the right, there are icons for 'Active Users Storage', a user profile, and an 'Edit mode' toggle. Below the navigation, the course title 'Willo Test' is displayed, followed by a sub-navigation bar with 'Home', 'Settings', 'Participants', 'Reports', 'Question bank', and 'More'. The main content area features a 'Sample Homepage Widget' which contains a 'My Materials' link, indicated by a yellow arrow. Below the widget, the text 'Available courses' is visible.

2. The My Materials tool should launch successfully in a new window. If the new window does not open, disable your pop-up blocker and try again.
3. Note: If the user clicking on the link is not an enrolled instructor or student in the SIS, there will be a “We cannot find your course enrollment information.” error.

4. Send the result of the launch to your bookstore team for troubleshooting or confirmation of the connection.
